About RMC

Royalton Music Center is more than a music store. We are a teacher. A friend. A neighbor. A catalog for knowledgeable advice. We're thankful to be a part of the community— and have been for over 50 years and 3 family-owned generations.

RMC offers a full line of band and orchestra instruments, guitars, amps, percussion, sheet music, accessories, special orders, certified repairs, and the largest selection of step-up and professional instruments in the Midwest.

True to our commitment to the local community, we provide instruction to over 800 students each week through our nationally recognized lesson program, and are also proud to offer music therapy for special needs individuals. Throughout the year, our musicians enjoy supplemental educational programs including exclusive master classes, recitals, a summer jazz band, group classes, a string ensemble, and Kindermusik music and movement classes for budding musicians ages 0-6 years old.

Whether you are beginning your musical journey or giving your old instrument an encore, we look forward to serving you!
